

## The Christian Education Program for Children and Youth at Kirkland Congregational Church UCC

Our Faith Formation (Christian Education) program is central to our life as a congregation.

Our teachers volunteer their time and talents to give our children and youth a positive experience in a loving and caring setting. The goal is to provide a wide variety of programmed activities designed to enable spiritual growth and faith development, thus creating the building blocks of faith that will remain with them throughout their lives.

Each Sunday following the Children's Time in the worship service the children go to the Chapel for 10-15 minutes together. During the Chapel Time we introduce the scripture lesson for the day, celebrate birthdays and special accomplishments, collect a Children's offering, and learn about the elements of worship. Sunday School classes dismiss at 11:45 am. The Children's offering goes toward the Common Cents Fund and our special monthly Mission Projects.

There is a Confirmation Class for high school students, taught by our minister.
