

**KIRKLAND INTERFAITH NETWORK
PRESENTS:**

The Birthday Corner

March is the month to support Hopelink's Birthday Corner. Our support will allow low-income families an opportunity to select free birthday items from their Food bank whenever a child is celebrating a birthday. Our support will help parents who are faced with financial limitations be able to select party items to help their child's party be a success. Over 600 children will benefit with our support.

Choose one of these ways to help:

1. Buy party supplies: plates, napkins, party hats, candles, balloons, cake mixes, frosting, etc.

Return items to church by **Sunday, March 15 or 22, 2010**

2. Make a financial contribution to help us purchase new party items.
(make checks payable to KIN)

Show these children we care about them!
